

Parents As Teachers

Give Your Child the Best Possible Start in Life!
Enroll in this **FREE** program today!

Parents as Teachers is designed to support parents as their child's first and most important teacher. Your child's first 5 years of life are the most rapid period of growth and development!

Parents as Teachers provides the following services:

- **Personal Family Visits** by certified parent educators
- **Group Connections** with other parents to gain insights, share experiences, and discuss topics of interest
- **Annual Screenings** of your child's development and health, hearing, and vision
- **Resource Network** that includes community supports for you and your family

Research shows the following benefits for families who participate:

- Children enter kindergarten ready to learn & the achievement gap is narrowed
- Children achieve school success into the elementary grades
- Parents improve their parenting knowledge, skills & confidence
- Parents are more involved in their child's schooling

The Home-School-Community Partnership That Works!

It's available in your local Missouri and Illinois school district!
